Juror Guidelines 2019

1. Accept artwork based on your knowledge of color, form, shape, composition, ability of tools/materials used and creative expression. Each piece is to be valued individually.
2. Accept artwork that is properly presented: no saw tooth hangers or screw in eye hooks, proper quality of matting and framing with sturdy wire for hanging. (A quality control person will check each piece as it is delivered to the show).
3. The gallery space should be adequately filled with selected pieces. Upon arrival, you will be advised by the LFAG chairperson as to how many pieces to jury in (typically 55 – 60 pieces).
4. All mediums, including photography, both digital and darkroom produced, are considered an equal artistic discipline as are ceramics, fiber/textile arts, sculpture, jewelry, digital painting, mixed media and glass. No Giclée.
5. Awards: Best of Show, 1st, 2nd, 3rd and up to 3 Honorable Mentions.
6. Please bring a piece of your current work that will be displayed as part of the show. The sale of the piece is subject to a 30% commission. Additionally, please provide a framed list of your credentials and accomplishments. We would like to honor you for your excellence.
7. The coordinator of the show will write down your artwork critiques which is a tremendous help to our artists and especially helpful if rejected artwork is critiqued but not required.
8. Approximately 1½ hours is allotted for completion of the judging.
9. The juror does not need to pick a piece from each member entering the show unless each piece passes all necessary criteria.

*This list of guidelines is available at the Depot Art Gallery by one of the chairpersons should you like to review the contents while jurying the show. If you have any questions, please, feel free to contact one of our chairpersons who will be happy to assist you.
