

Art @ the Depot Art Gallery February March

Four Seasons Show is on display now at the Depot Art Gallery. The art portrays the seasons of the year thru flowers, trees, snow, summer. Each of the seasons is different as seen thru the eyes of the artist. We invite you to come 'walk' thru the seasons at the Gallery.

From the President's Pen

This is a great time of year to become a member of the Littleton Fine Arts Guild! We have so many interesting shows coming up at the Depot Gallery along with multiple other venues where our art is displayed.

Check out our show schedule on the rack cards at the Depot Art Gallery and come see the current Four Seasons show!

Benefits of becoming a member are varied including a whole new group of artist friends to enjoy art with and lots of activities to be part of each month.

This quarter we are mentoring some Chatfield High School interns who are exploring possible art and music related careers.

In the fall we will be hosting a fiber arts show for the 2nd year that is open to all Colorado fiber artists. It is a unique juried show with a lot of variety.

We currently have several artists doing watercolor, oil and acrylic painting, collage, jewelry, ceramics, fiber art, mosaics and stained glass, as well as mixed media and photography. We'd love to sit down and talk to you about your interests and see your art and explore whether we are a good fit for your interests. Contact Paul Nutting for more information nuttingp@mac.com
